EDUCATION

California Baptist University   **Expected: May 2024**
Bachelor of Computer Science   *Riverside, CA*
- ABET Accredited University

WORK EXPERIENCE

CBU Residence Life   **August 2022 - Present**
Residence Advisor   *Riverside, CA*
- Developed personal relationships with 36 residents
- Demonstrated leadership qualities in straining or unideal situations
- Planned and participated in 2 campus-wide events and 5+ living area events, all of which facilitated community living, with a given budget from the university

Menzies Aviation   **April 2021 – August 2021**
Commercial Aircraft Fueler   *Portland, OR*
- Fueled Boeing 737 and 737-MAX passenger planes safely given a schedule of arrival and departure times
- Maintained safe procedure without taking shortcuts
- During times when understaffed, filled in by fueling larger 757 planes with a fueling truck
- Fueled small jets with a 5,000-gallon tanker
- Handled a sensitive role responsibly

Trout Creek Bible Camp   **Summer '16, '18, '19, '20, '22**
Crew, CIT, Counselor, Leadership   *Corbett, OR*
- Volunteered in a variety of positions over the course of five summers
  - Crew (2016) – Counselor in Training (CIT) (2018) – Counselor (2 years) (2019, 2020)
  - **CIT Dean (Leadership) (2022) (most recent)**
    - Trained 30 total male and female CITs for the role
    - Mentored 15 guy CITs during ten 1 week-long programs, and evaluated their performance
    - Developed a strong leadership mindset

PROJECTS

- **CBU Applied Machine Learning Lab – "CAMLL"**
  - Using ArcGIS to display economic data and Azure to build ML models
- **Personal research project – "Analyzing Inland Empire Patents with Python"**
  - Manipulated major USPTO patent datasets limiting patent localization to the IE, changed/added fields, exported the new dataset, and plotted visually using ArcGIS
